

VPO-R

Refrigerant Recovery Vacuum Pump Oil (Series 265)

Series VPO-R is a vacuum pump oil that has been formulated specifically for refrigerant recovery systems.

VPO-R provides excellent protection against rust and corrosion.

Applications

- Rotary vane vacuum pumps
- Liquid ring
- Reciprocating vacuum pumps
- Centrifugal vacuum pumps
- Rotary screw vacuum pumps

Benefits

- Long fluid life
- Good wear protection
- Superior water separation
- Very low volatility
- Resists chemical contamination
- Excellent protection against corrosion and rust

Specifications

ISO Viscosity Grade	22	32	46	68	100
Viscosity @ 40 °C (cSt)	22	34	46	65	96
Viscosity @ 100 °C (cSt)	4,3	5,5	6,8	8,5	11
Viscosity Index	99	98	99	100	100
Density (g/cm ³) @ 15 °C	0,85	0,86	0,87	0,87	0,87
Pour Point (°C)	-48	-45	-42	-39	-36
Flash Point (°C)	206	225	234	251	268
